**Requirement for participation in the Edgemoor Community Center – School Age
Childcare (SACC) Program**

Our SACC program primarily serves children attending Mount Pleasant Elementary School and Harlan Middle School. Children from Mt. Pleasant are walked over to ECC at the end of each school day. Children from Harlan School are greeted at the bus stop in front of the ECC building and walked into our facilities. Staffing limitations only permit us to provide this “greeting and check-in” supervision to participants from these two schools.

Occasionally, parents with children in other schools have requested to participate in our SACC program. Such a request has only been granted with the understanding that the parents assumes the responsibility of bringing the child into our facility or gives permission to have the child walk independently, from an alternate school bus stop, into our facility.

In order to meet your request to have your child participate in the ECC – SACC program, you must promptly complete and submit the following permission form. A copy is enclosed for your records.

I, _____, give permission for my child
(name of parent)

_____ to walk independently from the
(name of child)

Brandywine School District bus stop, into the ECC building and join the appropriate SACC group. I hereby release ECC from any and all liability during this time.
